Community Builder (1.0 day)
(Living Wage Foundation hourly rate)

Purpose:

Assist in delivering the planned promotion and delivery of accessible and enjoyable community-based events and activities which are co-led *with* residents and community champions to help realise resident's ambitions for their neighbourhood and in support of RCT's core programmes.

Key Tasks:

- Work positively and inclusively with all our residents who are involved in making their local area even better.
- Work with colleagues, local residents and community champions to ensure the structured delivery of fun, safe and inclusive local events and activities.
- Work with the resident communicator to ensure that activities and events are promoted in a timely and structured way.
- Contribute to the proactive promotion of meaningful resident involvement in all activities/events and the community champion network.
- Be aware of plans to address safeguarding, key activity risks and identified site specific issues at events and activities and in your day-to-day work.
- Ensure that resident feedback is being proactively sought and collected.

This is an 18-month contracted role, and extension is subject to funding and team delivery. Hours can be flexible (within the team) but successful candidates will need to be able to attend monthly (evening) meetings and be available to work hours which are accessible to the majority of residents - this means that most delivery will need to be on weekends, evenings and during the school holidays.

Post-holders will be a confident and outgoing local people with a good knowledge and positive commitment to the neighbourhood. Training will be provided including a first aid and safeguarding qualification, creative engagement and an AQA unit on "Skills For Working in the Community".

Metrics:

1. Attendance at events and activities.
2. Number of residents actively involved in environmental improvements and relevant community activities.
3. Number of active community champions.
