SAMSON CLOSE

BLAST FROM THE PAST

A planned neighbourhood to provide a sense of community was the idea. Our mission now is to turn that vision into a reality.

EXISTING SITE LAYOUT

PROPOSALS

Aimed to improve the beauty of the landscape and enhance usability of the spaces

APPROACH VIEW

The monkey bar linking the mounds and an interactive space with recladded benches creates an identity .

WESTERN VIEW

A picnic, play and art space plus a wooden shed for keeps creates a focus for community life.

EASTERN VIEW

Addition of potted trees on barren concrete plinths, a seating area and extended green area improves the quality of the square.
